QUESTIONS or CONCERNS? 401-785-4333

The proceeds from this event will directly benefit The Rhode Island Shriners. The Rhode Island Shriners are a fraternal organization, with the charitable goal of operating 22 Shriners Hospitals for Children, specializing in burn, orthopedic, and spinal injury care. All care provided at Shriners Hospitals for Children is totally without charge to the patient or family. While the donations for this event are not tax-deductible, the proceeds help to defray the operating costs of the Shrine, where our Hospital offices are based.
